

Affordable Language Services Ranked 12th among World's On-Site Interpreting Companies

Independent market research firm Common Sense Advisory recognizes Affordable Language Services as a leader in a \$3.2 billion global industry

(Blue Ash, Ohio) – Affordable Language Services announced today its official ranking as one of the largest On-Site Interpreting companies in the translation and interpreting industry, per a report issued in September 2015 by independent market research firm Common Sense Advisory (CSA Research). The report, titled "Top 20 On-Site Interpreting Companies: 2015", ranked Affordable Language Services as the #12 top-grossing on-site interpreting companies in the \$3.2 billion global market for on-site interpreting services, and the 6th largest in of North America.

Started in 2000 by Lynn Elfers after her return from missionary work in Costa Rica, Affordable Language Services has grown to be the region's largest language company and serves a diverse group of corporate, institutional and government customers.

Founder and CEO Lynn Elfers stated, "I am thrilled, and thank our support team, quality staff and interpreters. This is much faster growth than we ever expected two years ago, and we were up to the task."

CSA Research founder Don DePalma commented, "The market for outsourced language services and supporting technology is immensely important to the businesses, government agencies, non-profits and individuals that produce or consume information. As organizations both large and small address more languages, we predict that the industry will continue to grow and that the global language services market will increase to US\$17.3 billion by 2019."
